Dear Dr. Weigert,

Having been nominated in accordance with the Bylaws, and having met the qualifications set forth in the nomination form, it is with pleasure that I announce your election to Fellowship in the Society of Breast Imaging.

The degree of Fellowship is confirmed, as provided in the Bylaws, on the basis of outstanding contributions and service to breast imaging. You have every reason to be proud of the honor bestowed upon you, and I take this occasion to offer you my sincere congratulations. As an Active Fellow, you will have further opportunity to participate in the workings of the Society.

SBI Fellowship is normally conferred at an official induction ceremony during the SBI Fellows Meetings at the SBI Symposium or RSNA Annual Meeting. Given the cancellation of the in-person RSNA 2020, the Fellows Committee would like to make your new fellowship status effective immediately. You will also receive your official Certificate of Fellowship in the mail.

On behalf of the Fellows and the Board of Directors, I extend my very cordial best wishes and congratulations.

Sincerely,

Elizabeth A. Morris, MD, FACR, FSBI
Chair of Fellows
