Important Reminder From Your ACR Membership Team

On July 1, the ACR Membership Services Department will be cancelling all ACR and Chapter membership orders remaining unpaid as of June 30, 2012, and will be sending each chapter a list of their chapter members affected by the mass cancel. If you have any questions regarding this process and how it will affect your chapter, please contact Barbara Quattrone in the ACR Membership Services Department at 1-800-347-7748 or email us at membership@acr.org.

Encourage your Residents to Apply for Travel Grant to Volunteer Abroad

Each year, the [ACR Foundation Goldberg-Reeder Resident Travel Grant](#) awards \$1,500 grants for qualified residents to spend at least one month helping improve radiological health care in a developing country. *The deadline to apply is June 30.* [Read the stories of past recipients and learn how to apply...](#)

2013 Dues Information Forms

The dues forms were emailed to all chapters on June 15, 2012 and are used in several applications at the ACR, to include invoices, new member packets, web listings and database input. Because the information is used so extensively, all chapters must complete and return the form by September 14, 2012. Please return only one set of forms per chapter. *If you have not received this form, please notify:* Membership@acr.org

"Radiology Education Days" Exceeds Expectations

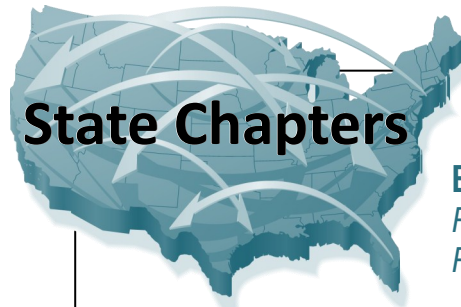

On June 1, a group of radiologists along with representatives from ASRT and SDMS set out to hold an educational program at [Grace Children's Hospital in Port-au-Prince, Haiti](#). The goal of the Radiology Education Days program was to help [improve radiology care in Haiti](#) by providing didactic talks and hands-on training to Haitian medical personnel. The program, the brain child of Dr. Paul Ellenbogen, Chair, ACR Board of Chancellors, was a huge success with attendees traveling as far as six hours away to attend the program. To read more about the program, please visit Brad Short's [blog](#), or visit the ACRF International Outreach Program on [Facebook](#). Please view photos of the event [here...](#)

ACR Fellowship Process to Move Completely Online!

Beginning in July 2012, the ACR Fellowship process will be completely paperless. The new online nomination form will help streamline the entire process allowing ACR members to apply online and submit their nominations directly to the chapter. Chapters will receive nominations in real time with the ability to review nominations online and submit decisions directly to the ACR. Visit www.acr.org/fellowship. Training will also be provided via a webinar. For more information about the online FACR process or to sign up for a training session, contact J.P. Baird by email at jpbaird@acr.org.

Find a Local CME Provider

The Accreditation Council for Continuing Medical Education hosts a [database of CME providers online](#) which may be useful to chapters in preparation for future meetings. Providers in this database are not endorsed by the ACR.
