Dear Dr. Crain,

We extend our appreciation to the Radiological Society of Connecticut for participating in the ACR Chapter Recognition Program. After reviewing all the submissions, we are pleased to announce that your chapter has been selected to receive the award for Overall Excellence in Division C. Your chapter's commitment to excellence is exemplary, and all the more so, given the challenges of the Covid-19 pandemic.

Due to time limitations during ACR 2022, your chapter will be recognized during the Council session in a pre-recorded video announcing the Chapter Recognition Award winners. Chapter award photos will take place during ACR 2022 and ACR staff will reach out in the coming weeks to schedule a time for your chapter award photo.

Congratulations on a job well done! Thank you once again for your participation in the Chapter Recognition Program and for sharing your particular chapter successes with colleagues.

Sincerely,

Evelyn Y. Anthony, MD, FACR
Chair, ACR Committee on Chapters
