

April 14, 2021

Dear Dr. Crain,

We extend our appreciation to the Radiological Society of Connecticut for participating in the ACR Chapter Recognition Program. After reviewing all the submissions, I am pleased to announce that your chapter has been selected to receive the award for Overall Excellence in Division C. Your chapter's commitment to excellence has not gone unnoticed.

Unfortunately, due to the virtual format of the ACR 2021 meeting, we will not be able to host a live awards presentation or have chapter photos taken this year. The ACR Chapter Team will mail your award certificate in the coming weeks. Your chapter will be recognized in a video recording announcing the Chapter Recognition Award winners and will be publicized on the ACR website as well as the Chapter Recognition Award recipient wall (located on the 2nd floor of ACR Headquarters).

Congratulations on a job well done and thank you once again for your participation in the Chapter Recognition Program.

Sincerely,

David T. Boyd, MD, MBA
Chair, ACR Committee on Chapters
