

# ANDREW H. RICE, D.P.M., FACFAS

DR. ANDREW H. RICE is a graduate of the Temple University School of Podiatric Medicine and completed his residency at the clinical campus of Yale University, School of Medicine. After being board-certified in foot surgery, he became chief of podiatry at Norwalk Hospital and an assistant clinical professor in the Department of Orthopedics and Rehabilitation at the Yale School of Medicine. On the medical advisory board of dLifeTV, he has published on topics from foot dermatology to biologics in tendon reconstruction, and wound healing.

Dr. Rice's practice focuses on reconstructive foot surgery, foot diseases and diabetic limb preservation. This enables him to provide a broad range of treatments including surgery for foot deformities, foot trauma, sports injuries and wound management. He also serves as principal investigator for clinical trials including advanced wound treatments for the diabetic foot.
